ACCOUNTANCY

Term 1 - 2017

IAC 150 Principles of Accounting 3(2-2-5)

Definition and objectives of accounting; benefits of accounting information; financial reporting framework; regulations and Acts related to accounting; code of ethics for accounting profession; principles and methods of accounting recording based on double entry principles; accounting procedure; accounting cycle; preparing trial balance; worksheet; financial statement for service businesses; financial statement for merchandise businesses, financial statement for manufacturing businesses, statement of cash flows, petty cash, bank reconciliation, accounting for inventory, and voucher system.

IAC 251 Intermediate Accounting I 3(2-2-5)

Prerequisite: IAC 150 Principles of Accounting

Principles and procedure for assets; categories of assets; recognition and measurement of assets; valuation; allocating assets to cost and expenses based on accounting

IAC 310 Auditing and Assurance Services 3(3-0-6)

Prerequisite: IAC 252 Intermediate Accounting II

General concepts and framework of auditing standard; regulation and auditing acts; ethics and responsibility of auditors; fraud and errors; audit planning; audit risk and materiality; risk assessment; audit evidence; evidence collection and audit procedures; audit sampling; audit working paper; auditing assets, liabilities, stockholders' equity, revenues and expenses; auditor's report; approaches of auditing by computers; quality control of auditing.

IAC 352 Cost Accounting II 3(2-2-5)

Prerequisite: IAC 351 Cost Accounting I

Roles of management accounting in organization; cost terms and definitions; relationship of cost, volume and profit; full costing and variable costing; budgeting; variance analysis, cost analysis for decision making under certainty and uncertainty conditions; product pricing and transfer pricing; and performance evaluation.

IAC 353 Taxation II 3(3-0-6)

Prerequisite: IAC 325 Taxation I

Tax frameworks by the Revenue Department, Regulations, Rules and legal provisions under the Revenue Code especially Value Added Tax, Specific Business Tax; basic principles of international taxation, ideas regarding Thai policy and best practice to improve Thai taxation in accordance with international trends especially, in cases of tax avoidance and tax evasion; enhancement of competitiveness and managing tax risks for AEC integration including tax planning (intro) in the current tax year and in recognition policy on investment in current law.

IAC 354 Advanced Accounting I 3(2-2-5)

Prerequisite: IAC 252 Intermediate Accounting II

Accounting policies; changes in accounting and errors; interim statements; accounting for foreign currency transactions and translation of foreign currency financial statements; accounting for head office and branch; both domestic and international branch; construction contracts; consignment sales; installment sales; leases; real estate business and accounting for troubled debt restructuring.
