

FACULTY OF HUMAN ECOLOGY

Undergraduates Programme Offered:

Bachelor programme

1. *Bachelor of Human Development Science*
2. *Bachelor of Human Development Science with Management –corporation with Faculty of Economics and Management*
3. *Bachelor of Human Development Science with Information Technology) –corporation with Faculty of Computer Science and Information Technology*
4. *Bachelor of Consumer Studies*
5. *Bachelor of Music*

COURSE SYNOPSIS

Department of Music

- MZK3001 Psychology and Sociology of Music** 3(3+0)
Pre-Requisite : None
This course covers the influence of music on men at an individual and group levels. Focus is given to the study on the relationship between music and socio-cultural environment, as well as the impact of music on the values and behaviour of individuals and groups
- MZK3002 Music and Child Development** 3(2+1)
Pre-Requisite : None
This course covers the potential of music in fostering child development. This course also emphasizes the approaches in teaching and learning music, musical choice, musical awareness as well as musical aptitude and skill in early childhood education
- MZK3004 Music Criticism** 3(3+0)
Pre-Requisite : None
This course covers critical listening skills, evaluation of interpretations, as well as writing skills through the construction of reviews. This includes different approaches in review writing for various music genre
- MZK3005 Jazz Appreciation** 3(3+0)
Pre-Requisite : None
This course covers the jazz music, jazz eras such as ragtime, blues, swing, dixieland, bebop, cool jazz, free jazz, fusion, neo-classicism and modern bebop, post modernism era and new wave jazz. The course also focuses on the eight stages of jazz development and main individuals in jazz by this instrument and contributions to jazz culture
- MZK3010 Music Writing Skills** 3(3+0)
Pre-Requisite : None
This course covers the principles, format and style used in writing for music. Writing in various forms and presentation are emphasized
- MZK3011 Music Cultures of the World** 3(3+0)
Pre-Requisite : None
This course covers the diverse music traditions existing in the world and its dynamic relation with a society's culture. Appreciation to various aesthetic values systems embedded in music traditions is emphasized
- MZK3012 Music Heritage of the Country** 3(3+0)
Pre-Requisite : None
This course covers the understanding of diverse traditional musics existing in Malaysia. Appreciation to various aesthetic value systems embedded in music traditions is emphasized
- MZK3013 Introduction to Music Therapy** 3(2+1)
Pre-Requisite : None
This course covers the role and function of music within the therapeutic context. Focus is given to basic principles and techniques of music therapy according to various populations, the application of music therapy principles and techniques, physical treatment, special needs treatment as well as the personal needs of the music therapist
- MZK3103 Music in Special Education** 3(3+0)
Pre-Requisite : None
This course covers the role and function of music in the context of special education through various music therapy and music education approaches. Focus is given to understanding the evolution of historical and social philosophies and principles underpinning special education, basic music techniques according to various population of special needs, as well as experience organizing inclusive music activities within the community

- MZK3120 Musical Language I** 3(2+1)
 Pre-Requisite : None
 This course covers the understanding of concepts in function harmony using pitch, scales, melodic shape, rhythm, rhythmic divisions, phrasing and harmony. The skills of using simple harmony, basic musical form, modulation, various types of chords, and basic texture are also emphasized
- MZK3121 Musical Language II** 3(2+1)
 Pre-Requisite: MZK3120
 This course covers the advanced skills in using functional harmony for score reading, choral arrangement, arranging for ensemble and analysis of compositions
- MZK3123 Basic Composition** 3(2+1)
 Pre-Requisite : None
 This course covers the basic skills in composition which include melody writing, counterpoint and polyphonic design. Composition applying cross cultural musical elements is also emphasized
- MZK3124 Orchestration** 3(2+1)
 Pre-Requisite : None
 This course covers knowledge on characteristics of orchestral instrument and methods of orchestration. Orchestral techniques such as range, tonal characteristics, common usage of instrument and effective instrumental combinations are emphasized
- MZK3125 Contemporary Music Language** 3(3+0)
 Pre-Requisite : None
 This course covers skills in contemporary music arrangement that encompasses jazz harmony, complex rhythms, jazz rhythms and modern rhythms. Advanced aspects of pitch, textures, timbre and contemporary musical forms are also emphasized
- MZK3203 Performance Practice** 3(3+0)
 Pre-Requisite : None
 This course covers the detailed study of musical scores from various musical eras and styles as well historical development of music instruments. Comparison between historically informed and modern interpretation are emphasized
- MZK3212 Twentieth Century and Contemporary Art Music** 3(2+1)
 Pre-Requisite : None
 This course covers the compositional styles and techniques of the twentieth century and contemporary composers, analysis of music score and writing of musical extracts
- MZK3222 Music Awareness I** 3(3+0)
 Pre-Requisite : None
 This course covers the development of compositional style of the middle ages, Renaissance, Baroque and early classical period. The course also emphasizes the study on the usage of pitch, harmony, texture, timbre, rhythm and forms through the analysis of musical score
- MZK3223 Music Awareness II** 3(3+0)
 Pre-Requisite : MZK3222
 This course covers the development of composition style of the classical, romantic, 20th century periods and contemporary. Music analysis from the usage of pitch, harmony, texture, timbre, rhythm and music form by composer from the above eras are emphasized
- MZK3311 Musicianship I** 3(2+1)
 Pre-Requisite : None
 This course covers musicianship skills in sight singing, music transcription and keyboard harmony, basic abilities in controlling pitch and rhythm, and harmony
- MZK3312 Musicianship II** 3(2+1)
 Pre-Requisite : MZK3311
 This course covers the advanced musicianship skills in sight singing, music transcription and keyboard harmony, advanced abilities in controlling pitch and rhythm, and harmony

- MZK3331 Instrumental Solo I** 3(1+2)
 Pre-Requisite : None
 This course covers the performance skills of repertoire in the Baroque or improvisation based genre for the first study including the technical skills, style and the interpretation in that era. Performance in the form of recital are emphasized
- MZK3332 Instrumental Solo II** 3(1+2)
 Pre-Requisite : MZK3331
 This course covers the performance skills of repertoire in the classical era or improvisation based genre for the first study instrument including the technical skills, style and the interpretation in that era. Performance in the form of recital are emphasized
- MZK3333 Instrumental Solo III** 3(1+2)
 Pre-Requisite : MZK3332
 This course covers the performance skills of repertoire in the Romantic era for the first study instrument including the technical skills, style and the interpretation in that era. Performance in the form of recital are emphasized
- MZK3334 Instrumental Solo IV** 3(1+2)
 Pre-Requisite : MZK3333
 This course covers the performance skills of repertoire from the twentieth century until the contemporary era or repertoire of experimental and cross genre music for the first study instrument including the technical skills, style and the interpretation in that era. Performance in the form of recital are emphasized
- MZK3335 Instrumental Solo V** 3(1+2)
 Pre-Requisite : MZK3334
 This course covers the advanced performance skills of repertoire in the 20th century's, experimental or cross genre music for the first study instrument including the technical skills, style and the interpretation in that era. Performance in the form of recital is emphasized
- MZK3425 Orchestra I** 3(2+1)
 Pre-Requisite : None
 Kursus ini merangkum kemahiran asas persembahan orkestra berasaskan repertoire asas yang ditetapkan. Kebolehan dalam menguasai bahagian instrumental tertentu secara individu, bermain secara berkumpulan dan bekerja secara berpasukan diberikan penekanan.
 This course covers the fundamental skills in orchestra performance based on identified fundamental repertoire. Abilities in mastering the designated instrumental part independently, performing in a group setting and working as a team are emphasized
- MZK3426 Orchestra II** 3(2+1)
 Pre-Requisite : MZK3425
 This course covers the advanced skills in performing the orchestra based on identified repertoire at a moderate level. Abilities in mastering the designated instrumental part independently, performing in a group setting and working as a team are emphasized
- MZK3427 Orchestra III** 3(2+1)
 Pre-Requisite : MZK3426
 This course covers the skills in orchestra performance based on identified repertoire at an advanced level. Abilities in mastering the designated instrumental part independently, performing in a group setting and working as a team are emphasized
- MZK3428 Orchestra IV** 3(2+1)
 Pre-Requisite : MZK3427
 This course covers the skills in performing the orchestra based on identified repertoire at a high level. Abilities in mastering the designated instrumental part independently, performing in a group setting and working as a team are emphasized

- MZK3436 Choir I** 3(2+1)
 Pre-Requisite : None
 This course covers the fundamental skills in choir singing based on identified repertoire. Emphasis is given to the abilities in mastering the designated vocal part independently and performing in group
- MZK3437 Choir II** 3(2+1)
 Pre-Requisite : MZK3436
 This course covers the advanced skills in performing choir based on identified repertoire at a moderate level. Abilities in mastering the designated vocal part independently, performing in group and working as a team are emphasized
- MZK3438 Choir III** 3(2+1)
 Pre-Requisite : MZK3437
 Kursus ini merangkum kemahiran lanjutan dalam memberi persembahan koir berdasarkan repertoire yang ditetapkan dalam era Romantik. Kebolehan dalam menguasai bahagian suara yang ditetapkan secara berdikari, menyanyi secara kumpulan dan bekerja berpasukan adalah ditekankan
 This course covers the advanced skills in performing choir based on identified repertoire in the Romantic era. Abilities in mastering the designated vocal part independently, performing in group and working as a team are emphasized
- MZK3439 Choir IV** 3(2+1)
 Pre-Requisite : MZK3438
 This course covers the advanced skills in choir singing based on identified repertoire at a high level. Abilities in mastering the designated vocal part independently, performing in group and working as a team are emphasized
- MZK3441 Ensemble Performance I** 3(2+1)
 Pre-Requisite : None
 This course covers the basic technique and performance skills of chamber music or improvisation-based ensemble music. The course also emphasizes the interpretation of chamber music repertoire
- MZK3442 Ensemble Performance II** 3(2+1)
 Pre-Requisite : MZK3441
 This course covers the technique and performance skills of chamber music for repertoire at a middle level. The course also emphasizes the interpretation of chamber music repertoire
- MZK3443 Ensemble Performance III** 3(2+1)
 Pre-Requisite : MZK3442
 This course covers the advance level of technique and performance skills in ensemble music. The course also emphasizes on the interpretation of chamber music repertoire
- MZK3444 Ensemble Performance IV** 3(2+1)
 Pre-Requisite : MZK3443
 This course covers the high level technique and performance skills in ensemble music for the chosen repertoire. The course also emphasizes on the interpretation of chamber music repertoire
- MZK3605 Studio Recording Techniques** 3(1+2)
 Pre-Requisite : None
 This course covers the microphone techniques, synchronization, audio production console, signal processors, noise reduction, product manufacture and studio session procedures
- MZK3610 Introduction to Music Technology** 3(3+0)
 Pre-Requisite : None
 This course covers the basic knowledge of musical tone generation and radiation, the history of technology in music, music synthesis, musical instruments digital interface (MIDI), sound reinforcement and sound recording
- MZK3611 Audio System** 3(2+1)
 Pre-Requisite : None
 This course covers the usage of various types of audio systems, signal flow, amplification, microphones, mixers, signal processors, power amplifiers and loudspeakers

- MZK3713 MIDI and Digital Audio Theory** 3(3+0)
 Pre-Requisite : None
 This course covers basic MIDI theory, MIDI hardware and software. The course also focuses on control, synchronization, junctions and routings, MIDI slaves, basic digital audio theory, digital sampling systems, digital audio recording, audio compression schemes, various audio software, and combining digital audio and MIDI
- MZK3714 Sequencing Software** 3(2+1)
 Pre-Requisite : None
 This course covers the skills in using computer software for composition and orchestration. Usage of various computer programs, uses of MIDI software and the role of VSTi's for the development of sequences in composition are emphasized
- MZK3715 Desktop Music Publishing** 3(2+1)
 Pre-Requisite : None
 This course covers the development of skills in using professional music notation and sound analytical software for score production, orchestration, and audio preservation. This course also focuses on score processing skills, creating automatic piano reductions from orchestral scores, creating audio data documents and creating audio data base entries
- MZK3804 Teaching of Practical Music** 3(2+1)
 Pre-Requisite : None
 This course covers the methods of teaching music in individual and group setting. Problems in group music teaching and solutions to overcome it are emphasized
- MZK3901 Music Industry** 3(3+0)
 Pre-Requisite : None
 This course covers the introduction of various careers related to music, laws related to musical output, various types of contract and marketing of music. Various other careers related to the music industry, and the relationship between music with other related sectors will also be emphasized
- MZK3902 Music Management** 3(2+1)
 Pre-Requisite : None
 This course covers the basic training in music management and administration through the production of live concerts. Preparation and organization of a variety of different concerts and evaluation of the production plan for the live concert are emphasized
- MZK4300 Introduction to Jazz Improvisation** 3(2+1)
 Pre-Requisite : None
 Kursus ini merangkum pemahaman pelbagai gaya improvisasi muzik jaz. Kemahiran bermain lagu jaz dengan gaya improvisasi juga ditekankan.
 This course covers the understanding scales, regular and irregular time, basic jazz riffs and basic patterns in jazz standards, bebop styles, contemporary styles and improvisation in bebop, blues, modal and free jazz
- MZK4401 Conducting Technique** 3(2+1)
 Pre-Requisite : None
 This course covers the conducting techniques, score interpretation and leadership in conducting music ensemble
- MZK4800 Research in Music** 3(2+1)
 Pre-Requisite : None
 This course covers the types of resources, topics, concepts and approaches used in research in music. Writing of research proposal are emphasized
- MZK4903 Industrial Training** 6(0+6)
 Pre-Requisite : Lecturer's Approval
 In this course, students will be exposed to real working environment in industries/organizations. Training includes application of the theoretical and practical aspects that have been studied with current practices in the workplace. Problem solving and communication skills are also emphasized

MZK4949 Bachelor Project

6(0+6)

Pre-Requisite : None

This course covers the aspects of planning and executing project. These include title selection, conducting critical review, designing and performing work strategy, collecting and analysing data, documenting and presenting project output

MZK4959 Bachelor Dissertation

6(0+6)

Pre-Requisite : None

This course covers the preparation of proposal, implementation and scientific writing of research project. Scientific approach to generate data systematically through appropriate design, data collection and analysis are emphasized

MZK4991 Lecture Recital

3(0+3)

Pre-Requisite : None

This course covers the skill training in presenting lecture recitals based on individual's music specialization. The lecture recital discusses types of repertoire chosen as well as background and justification on the instrument used

Department of Government and Civilisation Studies

- FEM3301 Ethics and Values in Development** 3 (3+0)
Pre-Requisite : None
This course covers the introduction of concept and philosophy of ethics, moral and development, comparison of theories of development, positions and roles of moral and ethics, balanced and intergrated physical, human, social and spiritual development.
- FEM3401 Introduction to Politics** 3(3+0)
Pre-Requisite : None
This course covers the concept and basic theory of politics, the system and structure of politics of a state, and public administration. This course also focuses on political culture, political economy, politics and society, politics and security, system and international relations; as well as discusses current political issues
- FEM3402 Introduction to Philosophy** 3(3+0)
Pre-Requisite : None
